

Handwriting intervention year 2

Child C – EXP writer/F/EAL/PP
Before

Inconsistent sizing all letters the same size.
Letter formation and positioning- 'f' not sitting on the line
Descenders not consistently dropping below the line.

Child C

After

Friday 30th January 2026
To write a story
One sunny day Piper went to the
big shop. As soon as she got there
she found the pinkest hat in the door.
Can I please have this pink hat?
Piper was hopping to school with her
pink hat. Are you excited? Said Henry? Yes
said Piper. When she arrived
the girls laughed at her on the
fun-crowed playground. Your hat
is the ugliest in school said
the girls. Piper was on
the playground playing with her
all best friends. The bell rang.
She drew a picture and my
friend said that the drawing is beautiful.

Sizing generally more consistent.

Clear difference between ascending/descending letters and
'x' letters.

'f' sitting on the lines with descending tails sitting below.
