

PE Premium Action Plan 2021 – 2022

Funding allocated: £19,350

Indicator 1: The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles				
Objectives	Key Actions	Cost	Anticipated Outcomes	Evaluation
Improve children's wellbeing through sport	EdStart to deliver weekly 'Wellbeing in Sport' sessions throughout the school	£6,549	Children develop character, resilience. Emotional intelligence and independence in their pupils	Pupil, parent and staff voice describe the positive impact of the sessions. Staff are impressed with the quality of the sessions and all value the CPD approach that the sessions give them. Key targeted children have benefited from a bespoke programme.
Improve the engagement of all pupils in regular physical activity	Primary reds (5-11 educational provision) A bespoke timetable selected to meet the needs of all pupils. This is through full-class delivery and extra-curricular clubs. 6 week girls only football development programme	£6,700	Children enjoy innovative, challenging and most importantly fun lessons that develop them not only physically but also their reasoning and understanding of being part of our community. The girl's only programme is a powerful way of building confidence, self-esteem, and communication and leadership qualities in young females within a safe space.	All selected children accessed the planned clubs. Internal data, pupil and staff voice as well as Man United data summary reported positive outcomes and an increase in participation.
Increase engagement in physical activity	Purchase /replace sport's equipment	£1,000	More pupils will engage in physical activity	All children have access to improved lunchtime provision, this is planned , timetabled and monitored. Interschool

				tournaments take place every Friday as well as external provision on Thursday and Friday every week which is timetabled.
Indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement				
Objectives	Key Actions	Cost	Anticipated Outcomes	Evaluation
Raise the profile of P.E and Sport	Ten year five and six pupils to attend Manchester United Foundation's Leadership Academy. These pupils would be supported throughout the year to act as sports leaders in the school. Opportunity to access targeted active literacy and numeracy sessions as part of the Primary Reds programme.	£6,700	Provide 10 year 5 pupils with the skills, training and support to develop their leadership skills and enable them to help teachers to promote the benefits of physical activity and the importance of leading healthy active lifestyles to pupils at Haslam Park Primary School.	This programme took place. Pupil and staff voice reports that the programme was successful. This is to be continued next year. These children supported on lunch time provision and sports day.
Indicator 3: Increased confidence, knowledge and skills of all staff in teaching Physical Education and sport				
Objectives	Key Actions	Cost	Anticipated Outcomes	Evaluation

To increase staff confidence in the delivery of P.E	Staff to access three CPD events throughout the academic year ran by the FA. Foundation staff to work alongside teachers each week to help to increase confidence of PE delivery throughout the school. I Termly impact report provided to each school to demonstrate the impact of the Primary Reds programme	£6,700	Staff engage with the CPD and gradually take on delivery of the sessions with increased confidence Preparing children for competition Resources updated and accessible for all staff	Staff voice indicated that they felt more confident delivering PE due to the CPD approach following the external providers programme.
Indicator 4: Broader experience of a range of sports and activities offered to all pupils				
Objectives	Key Actions	Cost	Anticipated Outcomes	Evaluation
To increase the range of sports and activities offered to pupils	Programme of tournaments and activities throughout the school year. Foundation Staff	£6,700	Children experiencing a wide variety of sports and physical activities Children leading more active lifestyles Teams better prepared earlier for competition and feel more confident when competing	After school clubs ran across the year, United coaches and EdStart. Competition calendar was implemented and more children took part. The inter school tournaments supported children in developing competition confidence.

	will deliver a multi-sports curriculum that is linked to the National			
Indicator 5: Increased participation in competitive sport				
Objectives	Key Actions	Cost	Anticipated Outcomes	Evaluation
To increase competitive sport	Free access to Premier League Primary Stars tournament and other Manchester United Foundation tournaments. Support with competition preparation will be provided.	£6,700	Children will have had the opportunity to compete as part of either a house team or a class team in a range of sports and activities. Less confident children being given opportunities to try sports where they would not normally choose to attend after school clubs or external competitions	After school clubs ran across the year, United coaches and EdStart. Competition calendar was implemented and more children took part. The in school tournaments supported children in developing competition confidence. Regular Man United tournaments took place throughout the year, we accessed all available opportunities.
To increase competitive sport	Join 'Bolton Schools' group, enabling access and participation to a variety of sporting competitions across the year. Teachers to run a termly competition between houses linked to current PE unit of work.	£120	Participate in (and organise) regular competitive sporting events within school and against other schools	After school clubs ran across the year, United coaches and EdStart. Competition calendar was implemented and more children took part. The inter school tournaments supported children in developing competition confidence.
