

Primary PE and Sport Premium

The Primary PE and Sport Premium was launched by the government in April 2013 and is available until 2020. The funding is to be used by the school to improve the quality and breadth of PE provision for all pupils. In the academic year 2013/2014, Haslam Park Primary School was allocated £8,755.

Priorities

Having undertaken an audit and listened to pupils' views, we have allocated funding to the following priority areas:

Area	Pupils	The difference it will make to pupils
After school multi- skills club for year 1/2.	KS1	Improve pupils' fundamental movement skills i.e. agility, balance and co-ordination- in PE and generally.
Coaching for competitions and after school clubs.	KS2	Increase pupil's confidence when playing football competitively. Skills and team work will also be built upon during these sessions. Increase pupil's participation and personal levels of success in school sports clubs and competitions.
Playground activities: training for midday supervisors, equipment and markings.	All	Increase pupils' levels of physical activity during breaks and lunchtime, helping to improve behaviour in and out of the classroom.
Netball training for high five for two key stage 2 teachers.	KS2	Increase pupil's participation and personal levels of success in school sports clubs and competitions.
Purchase of resources for the following: Football Athletics Netball Cricket Cross country	All	Increase pupils' confidence and motivation to take part in regular physical activity.

Progress

By April 2014, we had made the following progress against our priorities.

Area	Progress	The Impact so far
After school multi- skills club for year 1/2.	20 pupils regularly attend weekly multi skills club. PE coordinator has observed PE lessons for evidence of progress.	All pupils in the after school club are showing improved agility, balance and co-ordination in PE.
Coaching for competitions and after school clubs.	Entered teams in cluster football league, cluster netball league and LEA cross country races. Entered year 3 /4 and 5/6 football festivals, building links with Bolton School. In the summer term, we will be entering boys and girls into a cricket tournament, again building links with Lancashire county cricket club.	Pupils entering tournaments and developing competitive attitudes representing the school for the first time. Targeted pupils invited to compete in cross country races both finishing in the top 20 runners.
Playground activities: training for midday supervisors, equipment and markings.	Midday supervisors trained New equipment purchased Playground markings for netball and football complete and being used to support coaching and participation during and after school.	Most pupils are taking part in some physical activity during the day; some have increased the intensity of their participation.
Netball training for high five for two key stage 2 teachers.	Two teachers receiving netball coaching from England netball.	10 girls regularly attending netball club, all of whom had never attended other clubs.

	Entered teams in netball cluster tournaments for the first time.	All pupils attending have competed in cluster tournaments.
Purchase of resources for the following: Football Athletics Netball Cricket Cross country	Children have access to a wider breadth of resources needed to build on skills required for competitive sports.	20 children represented the school in cross country races for the first time. 30 children representing the school for football. 10 girls representing the school for netball. 20 children representing the school for cricket. 40+ children attending football club once a week. Most KS2 pupils showing improvements in levels of participation and eye to ball co-ordination skills.

We will publish the results of our 2013/14 Pupil PE and Sport Survey in July 2014 to show the impact of changes on our pupils' level of participation and attitude towards sports.
